Dear Dance Fit

I am applying for the position of the Junior docent stijldansen, because if there is one thing that I am certain in life, that would be that I want to stay devoted to dancing. So far, my experience in dancing consists of 10 years of non-stop training, tournaments, competitions and practice.

Currently, I am holding a position of a Champion of the Netherlands in A class Latin Dances and double title of a Silesian District Champion (Poland). I have trained with and alongside renown teachers like Ruud Vermeij, Julie Fryer, Jan Zwijsen, Marcel Keijzer (all in the Netherlands), Kinga Jurecka-Fiksa and Marek Fiksa, Kamila Kajak and Andrey Mosejcuk (in Poland). I have danced on international tournaments across Europe.

Why do I think that I will be the best choice for you to pick? Because I dare to say that my technical knowledge about dancing, teaching skills, competence and passion, are all things difficult to find and worth teaching others. I am an easy to work with person and I can promise, you will not regret giving me a chance as a teacher in your dance school.

Please, let me know if there is anything else you want to know, I am available and open to conversation and meeting.

With my best regards
